Since Fall 1976, both the University of California and the State University have supplied the Commission with information on their enrollments at one particular point in time during their fall terms. The Commission edits these data for valid codes, internal consistency, and consistency with prior-year data; and it confirms its editing with the segments prior to publication.

On occasion, the segments supply updated data tapes to the Commission, which may account for discrepancies between the numbers in one Commission report and subsequent reports. When such discrepancies occur, the latter numbers are the more accurate.

Data Abstract 9 in this series presents total Fall 1986 enrollment data for the California Community Colleges, while Data Abstract 10 presents only credit enrollment data for the Community Colleges that term. Copies of those abstracts are available from the Commission without charge.

Questions and comments concerning these data and the availability of other data on California's colleges and universities may be directed to:

CALIFORNIA POSTSECONDARY EDUCATION COMMISSION

THE California Postsecondary Education Commission is a citizen board established in 1974 by the Legislature and Governor to coordinate the efforts of California's colleges and universities and to provide independent, non-partisan policy analysis and recommendations to the Governor and Legislature.

Members of the Commission

The Commission consists of 15 members. Nine represent the general public, with three each appointed for six-year terms by the Governor, the Senate Rules Committee, and the Speaker of the Assembly The other six represent the major segments of postsecondary education in California.

As of June 1987, the Commissioners representing the general public are:

Mim Andelson, Los Angeles
Seth P. Brunner, Sacramento
C. Thomas Dean, Long Beach; *Chair*
Seymour M. Farber, M.D., Los Altos Hills
Lowell J. Paige, El Macero
Cruz Reynoso, Los Angeles
Sharon N. Skog, Palo Alto; *Vice Chair*
Thomas E. Stang, Los Angeles
Stephen P. Teale, M.D., Modesto

Representatives of the segments are:

Yori Wada, San Francisco, representing the Regents of the University of California

Claudia H. Hampton, Los Angeles; representing the Trustees of the California State University

Arthur H. Margosian, Fresno; representing the Board of Governors of the California Community Colleges

Donald A. Henriksen, San Marino; representing California's independent colleges and universities

Harry Wugalter, Thousand Oaks; representing the Council for Private Postsecondary Educational Institutions

Angie Papadakis, Rancho Palos Verdes; representing the California State Board of Education

Functions of the Commission

The Commission is charged by the Legislature and Governor to "assure the effective utilization of public postsecondary education resources, thereby eliminating waste and unnecessary duplication, and to promote diversity, innovation, and responsiveness to student and societal needs."

To this end, the Commission conducts independent reviews of matters affecting the 2,600 institutions of postsecondary education in California, including Community Colleges, four-year colleges, universities, and professional and occupational schools.

As an advisory planning and coordinating body, the Commission does not administer or govern any institutions, nor does it approve, authorize, or accredit any of them. Instead, it cooperates with other state agencies and non-governmental groups that perform these functions, while operating as an independent board with its own staff and its own specific duties of evaluation, coordination, and planning.

Operation of the Commission

The Commission holds regular meetings throughout the year at which it debates and takes action on staff studies and takes positions on proposed legislation affecting education beyond the high school in California. By law, the Commission's meetings are open to the public. Requests to address the Commission may be made by writing the Commission in advance or by submitting a request prior to the start of a meeting.

The Commission's day-to-day work is carried out by its staff in Sacramento, under the guidance of its executive director, William H. Pickens, who is appointed by the Commission.

The Commission issues some 30 to 40 reports each year on major issues confronting California postsecondary education.

Further information about the Commission, its meetings, its staff, and its publications may be obtained from the Commission offices at 1020 Twelfth Street, Third Floor, Sacramento, California 98514-3985; telephone (916) 445-7933.

Since Fall 1976, the University of California, the State University, the Community Colleges, and many independent colleges and universities have supplied the Commission with information on their enrollments and degrees awarded. The Commission edits these data for valid codes, internal consistency, and consistency with prior-year data; and it confirms its editing with the segments prior to publication.

On occasion, the segments supply updated data to the Commission that may account for discrepencies between the numbers in one Commission report and subsequent reports. When such discrepancies occur, the most recently published numbers are the more accurate.

Questions and comments concerning these data and the availability of other data on California's colleges and universities may be directed to:
